

Makeup Remover

Da Lua's Makeup Remover is a rich serum that gently cleanses, moisturises and protects the skin.

A deeply nourishing skin treatment, cleans and moisturises the face. As it is suitable for all skin types, it can be used to **clear makeup** or simply to restore our skin's natural radiance, promoting **cell regeneration** and preventing spots, wrinkles and rashes.

For optimal results, use in combination with the **Radiant Face Wash**. This helps your skin absorb any serums or moisturizers you apply after your cleanser.

Ingredients

Organic rose and chamomile macerated in extra virgin olive oil, castor oil and aloe vera. With lavender essential oil and vitamin E

Dosage & Use

Shake well before each use, to combine the mixture and get a homogenous blend.

Apply to your skin using a cotton ball or pad.

It can be used on its own or in combination with the **Radiant Face Wash**: for a balancing result and removing excess oils.
