

Spring Tincture

Treat hay fever naturally with the Spring Tincture by Da Lua Herbals.

The antihistaminic herbs in this formula help soothe symptoms of allergic rhinitis, hay fever, pollen and seasonal allergies (such as runny nose, itchy throat, eye irritation, sneezing, congestion). It can also be used preventively in prolonged treatment.

A powerful extract that combines an anti-inflammatory action, diuretic plants, supporting the immune system and cleansing the liver simultaneously.

Ingredients

Organic thyme, elderflower, horsetail, camomile, dandelion, liquorice root, birch leaf macerated in organic alcohol.

Contraindications

Avoid during pregnancy and when breastfeeding.

Dosage & Use

During allergy crises: 14 drops after meals, 2-3x a day. For 7 days, stop for 1 day and restart if needed.

As a preventive remedy: 7 drops after meals, 2-3x a day. During 21 days, right before Spring starts. Take a 5-day break and restart for 21 days.

Shake well before use. Place drops in a glass of water/juice/tea or directly under the tongue. For internal use.
