

Sublime Hair Mist

Da Lua's Sublime Hair Mist detangles the hair, reduces frizz, adds shine and balances the pH of the hair.

A natural tonic to deeply **condition** the hair, roots and scalp. The selected herbal blend repairs damaged hair, prevents hair breakage, counteracts hair loss and preserves colour, with a natural fragrance. It makes a great combo with the **Summer Hair Oil**.

Rosemary tones the scalp, horsetail and nettles remineralise the hair, **strengthening** it and preventing breakage. Apple cider vinegar contributes to **pH balance**, health and **softness**. It helps strengthen hair and improves **lustre** by lowering hair and scalp pH. It also keeps pesky scalp infections and itchiness at bay.

This mist smoothes the hair and brings **volume**, restoring radiance, softness and health with a herbal blend. This helps your hair absorb any serums or moisturizers you apply after your mist, such as the **Summer Hair Oil**.

Ingredients

Ingredients: Organic rosemary, horsetail and nettles macerated in unpasteurised apple cider vinegar, and distilled water, with rosemary essential oil

Dosage & Use

Shake well before each use, to combine the mixture and get a homogenous blend.

Spray in clean, damp hair. Do not wash out. Blow or air dry and style as usual.
