

# Urinary Health Tincture

---

The Urinary Health Tincture by Da Lua Herbals promotes a healthy urinary function & immediate relief.

A herbal blend formulated to kill the bacteria that cause **urinary tract infections**, bladder tensions, inflammation, and burning sensations. This formula helps provide **instant relief** and guides the urinary system back to balance. Take this UTI tincture immediately upon symptoms for relief.

Using herbal tinctures to **address issues at their source** rather than suppressing individual symptoms can make a massive difference in quality of life. That's why Da Lua Herbals is committed to having a **plant-based product** focused on the urinary system's health to support its natural state of homeostasis and treat imbalances at their root cause.

## Ingredients

---

Organic yarrow, broadleaf plantain, cornstalk, dandelion, uva ursi, mallow, liquorice, artichoke, thyme, chamomile, and lavender macerated in organic alcohol and solarised spring water.

## Contraindications

---

Avoid during pregnancy and when breastfeeding.

## Dosage & Use

---

7 drops after meals, 2-3x a day. Start taking as soon as one starts feeling signs of discomfort. Continue until all symptoms recede. Can also be taken preventively.
